

Horizon Competition Portable Volleyball Base Setup Instructions

NOTE: These brief assembly instructions cover how to transport and raise portable volleyball posts to an upright playing position. Please follow the assembly instructions included with clamp hardware for specifics on net attachment, etc.

1. Remove base units from shipping pallets. **USE CAUTION!** Base units are extremely heavy. Safe removal may require assistance of several strong adults.
2. Once units are at ground level, push on back of unit to roll each base unit to the appropriate location on the volleyball court.

3. Pull storage pin as shown in figure 1.

FIGURE 1

4. Rotate post to a vertical position and replace pin as shown in figure 2.

FIGURE 2

5. Complete set up by following the assembly instructions provided with the clamp hardware for each post. Once complete, finish assembly by attaching post padding and base padding provided as shown in figure 3.
