

## **FIRST TEAM SPORTS, INC**

### **FT10AW Heavy Duty Basketball Net**

1. **NET** – Net shall be bright white nylon construction. Top twelve net loops shall be woven extra tight to provide exceptional stiffness to prevent net from wrapping around the rim after a swish shot (anti-whip). Net shall be strong enough for competition level play or as an upgrade for common residential type nets. Net material must be suitable for indoor or outdoor play and UV resistant. Approximate shipping weight shall be 1#.
